Dear Mrs Jones and Mr Ramsbottom, this is our newsletter of what we have been doing this week. The first picture is of Archie doing his shapes. The second picture is of both of us working together to make a powerpoint about Michael Morpurgo. The next one is of me taking pictures on our mindful walk. The next one is of Archie's comics 'Toxicman' he has been doing for English. The next three are of us doing a joe wicks workout, a picture that I taken on our mindfull walk and our map of the garden.

We hope you enjoyed our newsletter and we hope we will be coming back soon.
