

### History/Geography

#### The Ancient Egyptians

The achievements of the earliest civilisations. Ancient Egypt - a study of Ancient Egyptian life making comparisons to other ancient cultures.

Where is Egypt?

### Religious Education

How and why do believers show their commitments during the journey of life?

Link to Judaism/Hinduism.

### Computing

E safety-staying safe on devices.  
What is my digital footprint?

Technology in our lives-how is this important especially at this time?

### Science

Animals including humans

Materials  
(see my weekly letter for more specific information about individual objectives)

### Design Technology/Art

Raid the cupboards!  
Ask permission first though!

Make suitable choices from a wider range of tools and unfamiliar materials and plan out the main stages of using them to create a mask in the style of King Tutankhamun.

### Music

Out of the Ark  
Song a Day  
What instruments did the Ancient Egyptians play?

### French

Je suis le musicien

### Physical Education

Joe Wicks PE workout

Developing my own warm up with clear steps and reasons for my choice of activity.

**Summer Term  
2020  
Class 3  
The Ancient Egyptians**

### Personal, Health, Social and Citizenship Education

Covid 19-information for a time capsule  
(more details to follow)

Caring for our community

Observing wildlife in my garden.

### English

Read a range of texts to develop a love of reading and an understanding of different genres by sharing, discussing and raising questions about the books I read.

Write a story based on an Egyptian adventure.

### Maths

To develop rapid recall and fluency in mental arithmetic.  
Use mathematical language to develop reasoning skills.

Solve problems with increasing sophistication and confidence identifying and using simple steps.

**Stay safe and enjoy your learning.**
