English

Class Reader: Street Child.  
Reading comprehension-focus on making connections.

Writing: how to keep our readers engaged by using carefully selected vocabulary, punctuation and sentence structures.

Mathematics

To develop rapid recall and fluency in mental arithmetic.

Use mathematical language to develop reasoning skills.

Solve problems with increasing sophistication and confidence.  
identifying and using simple steps.

Helping at home

It is very important to listen to your child read regularly and most importantly discuss their texts with them.  
Ensure that homework is completed to a high standard and returned to school on time.

Support your child with weekly spelling sentences and spelling rules.  
Make it fun!

Discuss your child's achievements with them. How do they feel?  
How could they achieve more?

Any questions or queries please do not hesitate to come and speak to me.
