

Class One

Year One Home/ School Learning 8.6.20

Hello Everyone,

I hope that you have all had a good week and have enjoyed working through the activities. Keep up the great work.

I have continued to show clearly in **RED** the teaching that will happen **in school** and the tasks to be completed at home are in **GREEN**. For those children continuing all week with home learning you can work through all of the tasks. Key Worker children will complete the planning activities in school, but you might want to reinforce some of their learning at home too.

I have attached with this email worksheets that you can use with some of the tasks, as well as having the option to use the other activities suggested. You can select and work through appropriate tasks at your child's pace.

The 'Room on the Broom' story is an extra reading task that I have included this week. This is a lovely story and one that I sure you will all know. I have photocopied a resource pack that has lots of activities in it and relevant to the story. These packs can be collected from school on Monday 8<sup>th</sup> June.

Maths

Maths is all about fun and making things practical. Children need to explore and investigate mathematical concepts, which can then help them to become more confident when working out problem solving activities. I have tried to include practical ideas and activities that also require some form of recording. I am sure that you will also have many creative ideas too! Worksheets have been attached that run alongside some of the White Rose activities.

Here are some other ideas.

Play board games like snakes and ladders or other games with numbered spaces.

Use meal and snack times to teach concepts like sharing, telling the time, counting. -

Estimate the number of beans on your plate or compare the size of potatoes.

Use manipulatives like bricks or toys of different sizes and shapes.

Help measure ingredients for a recipe. Read the scale on a measuring jug- are all of the divisions labelled?

Don't forget to recite all those number rhymes and songs.

## **★ Maths**

### **★ At home: -**

★ Continue to use the White Rose to support your learning. Watch the video and complete the activities. You can print the activities or record answers in your exercise book. I have attached some of the worksheets for this week.

★ **White Rose maths lessons: Summer Term Week 5 (w/c 18.5.20) Revisit - Measuring.**

★ Click on summer week 6+ and it will reveal the previous weeks lesson plan. Click on 18.5.20 from the drop-down menu.

★ <https://whiterosemaths.com/homelearning/year-1/>

### **★ At home/ In school: Thursday/Friday**

★ This week, we will be revisiting Time in school. We will recall days of the week and months of the year. We will also practise reading an analogue clock.

★ See worksheets attached to complete.

### **★ Keep working on your addition and subtraction skills**

★ You can also go to the Espresso website and follow the link for Keys Stage 1 - Maths - addition and subtraction.

★ Click on the link for Espresso either below or via school website

★ Online learning at: [www.espresso.co.uk/](http://www.espresso.co.uk/)

★ login: student23945

★ password: bolton

★ (Top tip: check lower case b is in the password - it sometimes self-correct).

### **★ More activities you can work through.**

★ We use maths playground in school. It has fun games that encourage children to use lot of maths skills. Number bonds can be found on this website here too. Click on the addition and subtraction box.

<https://www.mathplayground.com/math-games.html>

## **★ Phonics**

### **★ At home:**

★ Continue to practise your phonics! Please try to complete a daily phonics lesson by following the link.

★ <https://www.wandleenglishhub.org.uk/lettersandsounds>

### **★ At home/In school: Thursday/Friday - Phonics:**

★ In school we will be completing:

★ Thursday 11th June: Lesson 34 - ch - school

★ Friday 12th June: Lesson 35 - ou - touch

We will search for living and non-living things and recording our observations. Here is an example of what we will complete in school.

**At home** - Complete the activity sheet attached.

## PE

**At home:** Here are some activities for you to try:

[www.nhs.uk/10-minute-shake-up/shake-ups](http://www.nhs.uk/10-minute-shake-up/shake-ups) - Try these 10-minute activities based on Disney films that count towards a child's 60 active minutes per day.

[www.bbc.co.uk/teach/supermovers](http://www.bbc.co.uk/teach/supermovers) - Try these videos which help children move while they learn. They support curriculum subjects, including maths and English.

Take part in PE sessions with Joe Wicks on YouTube, live at 9am Monday- Friday.

## Computing

**At home:** Continue working on the activity - Coding - Year 1a On the move.

Online learning at: [www.espresso.co.uk/](http://www.espresso.co.uk/)

login: student23945

password: bolton

(Top tip: check lower case b is in the password - it sometimes self corrects)

## Emotional wellbeing and mental health

'The Go-To' - [www.thegoto.org.uk](http://www.thegoto.org.uk)

Here is a link for a new website to support children, young people and parents/ carers.

I hope that you all have a good week and don't forget to send in your photographs as we will still be putting them on the website. Well done on great work last week too.

If you have any concerns or questions, please do not hesitate to contact me via class1 email.

Take care and stay safe

Mrs Reynolds and Mrs Parr.
