

Class One Newsletter
Week ending 27.3.20

Hello everyone,

Hope that you are all keeping well and enjoying your home learning packs. It was great to make contact with you during the week. You can use the new email address to contact me during your time out of school.

A reminder that school has subscriptions for excellent websites that you can also access from home.

Mrs Reynolds Weekly Challenges

Each week I will be setting a weekly challenge, so watch this space!

Spring Garden Pictures

Next week can you make a spring picture or model?

You can use collage materials/paint/crayons or use lego/building bricks to design your own spring garden. You can take photographs and email them to me or save your photographs/pictures/models until you are back in school. I shall look forward to seeing them.

Take care and stay safe

Mrs P. Reynolds and Mrs W. Parr.
