Celebrating World Mental Health Day with the 5 Ways to Wellbeing

On World Mental Health Day 2019, Thursday 10th October, we discussed the importance of keeping our brains healthy as well as our bodies. We revisited all the ways in which we regularly think about the '5 Ways to Wellbeing'. Class 2 thought about how important it is to 'Give' and we all received wonderful smiles!

Our whole school well being focus was 'Take Notice'. We took time to appreciate our beautiful natural environment. Pictured below are our Reception children creating an outdoor autumn collage. Class 3 noticed the spectrum of autumn colours.

Mindful Walk

We have also included a Mindful Walk activity as an optional homework this week. You might like to try it with your family.

Science investigation in Class 4 Class 4 built their own 'ski jump' to scale this week to allow them to investigate forces and the movement of an object whilst controlling different variables. They worked together to observe and record the distances travelled. They calculated averages across their readings for reliability and controlled variables relating to surface materials and mass of objects. It was a great team effort- well done!

Book Fair thank you A huge thank you to everyone who supported our Book Fair this week. We received £214 in commission which will be used to update our reading books and class and school library.

School Photographs - individual and family groups were taken today and the children have proofs for ordering in their bags tonight.

Congratulations to our KS2 footballers Well done to our Y3/4 and Y5/6 boys football teams who competed against other schools in the Richmond area tournament this week. They displayed important personal qualities of team work, resilience and perseverance.

Our Year 3/4 Team were the tournament winners finishing in 1st place.

Our Y5/6 Team finished 3rd in their group.
