Bikeability and Road Safety Training for Class 4

We are delighted that all our Year 5 and Year 6 children once again have the opportunity to take part in Bikeability and Road Safety training. Pictured below are the first group getting ready to go out on the road with their instructors. Next summer we will continue with our usual pattern and all our Year 5 children will be offered this experience.

Year 5/6 Residential Outdoor Education Activity Week to Marrick Priory in November 2021

This is always one of the highlights of a child's time in our school. We are sorry that the current Year 6 have missed this opportunity. We are hopeful that Class 4 will be able to make a day visit to Marrick in July this year to do some of the outward bound activities - more details to follow.

We are keen to resume our pattern of Residential visits and have booked for all the children who will be in Class 4 in September 21 to go on a Residential Outdoor Education visit to Marrick Priory in November this year. More detailed information will follow including opportunities for a parent's meeting and costings. We will then continue our two year cycle of visits so that each child has the opportunity for a residential week when they are either in Class 4 in either Year 5 or Year 6.
