Class 4 fundraiser for Isaac's bike. The children in Class 4 would like to raise money for a hand powered cycle for Isaac, a Year 5 member of their class. This idea has come from the children of Class 4 who recognise that Isaac is an inspiration to us all. Isaac only has the use of one leg and loves sport. He has been selected to play for the England Amputee Football Team and will travel to Georgia this year for their summer training camp. All the Year 5 children took part in bikeability training recently and to make sure Isaac was included we borrowed a hand powered cycle from Mowbray School. This was the first time Isaac has been able to ride a bike and he loved it. The children of Class 4 would like Isaac to have a bike of his own and would like to help with the cost (about £3,500). Class 4 are organising a fun bike or scooter riding event around the school grounds in the week of 4th to 8th July. Children can bring their bike or scooter to school with a helmet on the following days and Class 4 will organise a circuit for them. They can be parked in the bike rack area. Donations welcome.
