

**Annual Governance Statement for the Governing Body of St Mary's Bolton-on-Swale Church of England Aided Primary School
September 2021 - July 2022**

In accordance with the Government's requirement for all governing bodies, the three core strategic functions of St Mary's Bolton-on-Swale School Governing Body are:

- 1. Ensuring clarity of vision, ethos and strategic direction**
- 2. Holding the head teacher to account for the educational performance of the school and its pupils**
- 3. Overseeing the financial performance of the school and making sure its money is well spent**

Governance arrangements

The Governing Body of St Mary's Bolton-on-Swale School was reconstituted on 6 October 2014 and is now made up of:

Two parent governors
One LA governor
One staff governor
Head teacher
Seven foundation governors

The total number is 12

During the past academic year the governing body has resumed their face to face meetings. The full Governing Body meets twice each term. It focuses on the monitoring, evaluation and review of curriculum policy including religious education and collective worship; the requirements of pupils with Special Educational Needs and disabilities; statutory requirements relating to assessment and contributions to the School Improvement Plan.

In addition, the Resource committee meets termly with a specific area of focus on finance, premises and personnel matters. The Admissions Committee which considers admissions criteria and arrangements usually meets once per year. We also have committees that meet if required to consider pupil discipline and staffing matters.

The Governing Body complete a regular skills audit and give careful consideration to ensuring they have the range of skills required to deliver effective governance and secure the success of the school. They have continued to participate in relevant training; new governor training and updates to safeguarding training.

Attendance record of governors

Governors have excellent attendance at meetings and have never cancelled a meeting because it was not "quorate" (the number of governors needed to ensure that legal decisions can be made).

A record is kept by the clerk to the Governing Body of governor's attendance at meetings and this is displayed on the school website.

A governor who fails to attend meetings of the Governing Body for a continuous period of six months from the date of the first missed meeting without the formal consent of the governing body is automatically disqualified from continuing as a governor of that school.

The work we have done in our committees and in the governing body meetings

The Governing Body has continued to focus on school improvement and enriching the spiritual, moral, social and cultural lives of our children.

All our governors have key areas of responsibility and monitor the work of their link subjects and areas of responsibility by visits to school, participation in educational visits, attendance at class assemblies and church services, meetings with subject leaders. Following the Good Ofsted Inspection of November 2019, governors have continued to support the school in its delivery of high quality teaching and learning. Governors continue to support staff health and well-being.

Safeguarding is a priority for the governors and we have a Nominated Governor for Safeguarding, Clare White, who attends regular training, visits school to complete a safeguarding audit and reports to the Governing Body. All our governors regularly update their safeguarding and child protection training.

The Governing Body have analysed teacher assessed school performance data, curriculum targets and assessment and reporting procedures to parents.

Governors continue to analyse and challenge key data and the results of pupil achievement and progress so that we can be sure that the school is on track to fulfil its ambitious targets for all pupils. The impact of this monitoring is evident in the strong academic results consistently achieved by our pupils. In 2022 they were above national averages at the end of EYFS, in Y1 phonics, at the end of Y2 and Y6.

The Governing Body also supports the spiritual, moral, social and cultural development of our children through its monitoring of Collective Worship and the delivery of Religious Education.

We monitor our 'vulnerable groups' of children and focus on how the Pupil Premium Grant is being spent by the school and what impact this has on pupil outcomes.

We also monitor and support the progress of the school's more able children. Governors have monitored the Government's Sports Premium spending which is used to enhance and develop the provision of high quality PE lessons and extra-curricular clubs in addition to our competition structure. The school was re-awarded the Gold School Games Mark Award for 20/21.

Our Service Pupils Premium supports the emotional well-being of our service children especially at times of postings and transition between schools. Our KS2 Service pupils attended the annual service in Ripon Cathedral for Service pupils and in 2022 we were, once again invited to perform with our choir.

One of the roles of the governing body is to review and approve school policies, and this year we have considered a number of key policies; Safeguarding and

Child Protection; Budget Management and Scheme of Delegation; Information Security Policies; Whistleblowing Policy; Pay Policy; Complaints Policy; Disciplinary Policy.

The Resources Committee looks at the maintenance and development of the school premises, and makes decisions about how the school should use the budget. Louise Gigante is our Health and Safety Governor and she monitors termly reports following visits by our North Yorkshire Health and Safety Advisor which have continued during the past year. The Resources Committee approved the 2022/23 budget plan for the school and the 3 year forecast. During Summer 22 a new interactive whiteboard panel and class computer were installed in Class 2. This was funded by devolved formula capital.

Highlights of the school year were our Harvest Festival, Christmas Nativity, Easter Service, Summer Music Concert and Annual Production in the Village Community, 'Mystery at Magpie Manor'. Year 6 parents, governors and parish members attended our Year 6 Leaver's Service. Our Year 6 pupils also attended the Annual Leavers Service at Ripon Cathedral where they led prayers. We were delighted to re-establish our whole school visit to Beamish Living History Museum in Summer 2022.

We celebrated the Platinum Jubilee of Queen Elizabeth 11 by planting an oak tree for the Queen's Green Canopy and hosting a street party. This was attended by the Deputy Lord Lieutenant for North Yorkshire, Charlotte Peel, Governors, Parents and the local community.

The school continued to provide holiday care for 2 days per week during the school holidays to support working parents.

Minutes of Governing Body and Committee meetings are public documents and are available on request.

Strategic Planning for the future

The Governing Body looks forward to further partnership working with staff, parents, parish, diocese and the local and wider community.

Key areas of focus for the year 2022/23 are:

- To support the school as it continues to meet the needs of all pupils and its community. Governors will continue to monitor and evaluate their subject areas including the well-being of staff, whilst working alongside subject leaders to ensure progression in the curriculum
- To support the school in working towards achieving an excellent SIAMS (Church School Inspection) judgement by further articulating the Christian vision and impact in ways which enable the whole school community to flourish
- To further foster links between the school and wider community

How to contact your Governing Body

We always welcome suggestions, feedback and ideas from parents – please contact the Chair of Governors, Clare White, via the school office. You can see the full list of governors; their pen portraits, their link subjects and committee membership on the governor page of the school website.
