### Celebrating the season of Remembrance

Well done to all our children who took part in our whole school act of Collective Worship for Remembrance on 11.11.21. Every child created a poppy and these formed part of each classes remembrance art work which included the photos of service family members brought in by the children. We also observed our 2 minute silence as a whole school outside at 11am. A special thank you to Abigail and Tom's Mum who led us with the 'Last Post' on her cornet. Our art work was then on display in Ripon Cathedral for the Annual Remembrance Service for service pupils. Well done to our KS2 Choir and Class 4 children who sang the opening hymn for this service. You can view the service online by searching 'Ripon Cathedral Service to Remember', by clicking the link below or through Ripon Cathedral online services.

## This week in Class 1

This week in Class 1 we have learnt about Road Safety with Super Cat and written instructions and designed posters to help us to cross the road safely. In our Science work we enjoyed a listening walk and explored our 5 senses. Everyone is continuing to work hard on their phonics, reading and number skills. We have painted and sketched our self portraits. In PE we continue with our cricket coaching with North Yorkshire Chance to Shine Cricket and have learnt tri-golf skills.

**Pictured below: Year 1 sorting animals into mammals, amphibians, reptiles, birds and fish in Science; self portraits in art; enjoying our reading; playing number games; role play in the vets**

## This week in Class 2

This week we have enjoyed performing our class assembly. We are really proud of all the children who spoke clearly and shared their songs, poetry, prayers and learning from their topic, 'Our World'. In English and Geography we have been learning about polar animals and creating informative posters. In Design Technology we have applied our sewing skills to create penguin Christmas tree decorations. In PE we have enjoyed our cricket and tri-golf.

## This week in Class 3

We have started to prepare for our Class Assembly next week and have been practising our Viking song. In Design Technology we completed sewing our poppies and in Art and Design we have worked on our Dragon Heads. In Geography we have used atlases to research Viking place names. We have been developing our comprehension skills and learning about Road Safety. In PE we have enjoyed Dance and Tri Golf. We also raised money for Children in Need.
